

AITUTAKI LAGOON PRIVATE ISLAND RESORT

Aitutaki

Nestled on its own private island known as Motu Akitua embracing its tropical surroundings and panoramic views of Aitutaki's turquoise lagoon, is where you will find Aitutaki Lagoon Private Island Resort.

The resort boasts a collection of 33 well-appointed stand alone bungalows with 6 Polynesian inspired accommodation categories to choose from. Categories range from Beachfront Bungalows to the exclusive Overwater Bungalows, the exotic Royal Honeymoon Pool Villa (Princess Te Arau), and the newly built Beachfront Private Infinity Pool Villas.

All bungalows are air-conditioned and each have their own private bathrooms, Polynesian-style outdoor showers, satellite flat screen TV, mini-fridge, tea & coffee making facilities, room safety deposit box, and a balcony with sun loungers to relax on. If you're looking for something extra special, the Royal Honeymoon Villa is fitted with a Bose Digital Audio System, full kitchen, a coffee maker, ensuite with outdoor shower, its own private swimming pool, daybed pavilion, and hydrotherapy spa bath.

The Overwater Bungalows are the only ones in the Cooks Islands, making them ideal for couples dreaming of a romantic overwater getaway. Each bungalow is situated along the coastline of the island providing unsurpassed views of the lagoon and direct access to the warm waters via a small ladder on the lower balcony deck.

The Beachfront Bungalows are located on the sunset side of the island offering great views out towards the O'tu (Full Moon) channel. The Deluxe Beachfront Bungalows are located on the white sandy beach enjoying idyllic lagoon views, and the Premium Beachfront Bungalows are situated on the champagne sands of Sunset Beach with hammocks close by.

The Beachfront Private Infinity Pool Villas are designed for couples to enjoy privacy and seclusion, and come with a wide complete range of amenities to enhance relaxation and comfort. Guests step directly from their dining and living room onto their private deck, where they can relax beside their own infinity pool with wide views of the sparkling lagoon beyond.

For couples seeking a luxury romantic getaway, the Royal Honeymoon Pool Villa (Princess Te Arau) is the only villa at the resort that offers its own private swimming pool with a pool pavilion and open-air spa bath. The villa has been designed with romance in mind and has been lovingly created using locally-milled mahogany, wild hibiscus wood and hand-collected corals from the beach. It is situated in its own private tropical garden enclave to allow for maximum privacy and relaxation.

Set right on the edge of the waterfront is the Flying Boat Beach Bar & Grill which offers a beach gourmet eatery with a magnificent view and a wide selection of mouthwatering meals. Fresh local seafood, tropical fruits and vegetables are used abundantly and transformed into delectable Pacific-inspired dishes.

Enjoy a range of resort facilities and activities available for guests enjoyment including resort-wide Wi-Fi, two restaurants and two bars, swimming pool, day spa with Jacuzzi and sauna, gift shop, Tour Desk, guest laundry, air-conditioned gym, games area, activities beach hut, beach loungers and hammocks on the resort's private beach.

Aitutaki Lagoon Private Island Resort is not only a favourite choice for couples on honeymoon, but also for couples seeking a wildly romantic location for a wonderfully memorable sunset beach wedding on their own private island.
