

# RARO BUGGY TOURS

Rarotonga

Raro Buggy Tours is one of the few 'drive it yourself' guided 4 wheel adventure tours available on Rarotonga. Your choice of transport is either an automatic or manual 800CC 4 wheel buggy which takes you through the many land areas—predominantly inland—to view and visit our many local historical and culturally significant sites.

Starting from your departure point at the Wigmores Superstore your friendly local tour guide will take you on a journey first on the main and then through to the back road known locally as the Ara Metua. You will venture around the island until you get to the Waterfall where you park and everyone can enjoy a swim and quick cool off before its time to head off to a mini golf course for a few putts.

The tour also offers many great photo opportunities at each of the stops so don't forget to take your camera or go pro. Those looking to take on the challenge, we recommend to take a towel and a spare change of clothes as it can get quite dirty and muddy especially on rainy days.

Raro Buggy Tours offers a fun and exciting way for visitors to experience Rarotonga.
