

THE COOKS OASIS

Rarotonga

The Cooks Oasis is privately nestled on the western sunset coast of Rarotonga, tucked away from the main road amongst tropical foliage and stunning views of the coral lagoon. The property provides a great family-friendly atmosphere and intimate recreation for all.

Offering a small range of 8 private self-contained villas, each boasting fresh tropical décor and Polynesian design, these villas propose maximum privacy and absolute relaxation.

Each stand-alone villa is fitted with a full and well-appointed kitchenette including an electric hob, microwave oven and fridge, ceiling fans (with the option of air conditioning – charges apply) and an outdoor balcony.

The Garden View Villas have authentically been situated just meters from the white sandy beach, offering views of the turquoise lagoon and the surrounding lush gardens from the privacy of your own oasis. Enjoy a sun bathe and the nature's best tropical greenery whilst unwinding in stillness.

The One Bedroom Villas offer tasteful views of the musky shores, allowing you amazing panoramic views of the stunning lagoon, promising you sound acoustics of the waves and unobstructed ocean views.

The 2 Bedroom Ocean Villa is the ultimate choice for small families or group of friends, with a generous space and, of course, perfect views of the gorgeous beach.

Onsite, you will find a stunning beach, a cool-off swimming pool, tour desk and complimentary snorkelling and kayaking gear. The Cooks Oasis also has easy access to many outside facilities including a small local bakery and a comprehensive range of casual and fine dining options.
