Mitiaro

Mitiaro, traditionally known as Nukuroa, is located approximately 266 kilometres northeast of Rarotonga and is encircled by a band of Makatea (raised coral limestone) with a fertile interior. It is the fourth largest island in the Cook Islands, and has a population of around 160—all of its residence live in one settlement on the west coast of the island.

Mitiaro is known for its fresh water twin lakes in the centre of the island, which are home to the Itiki (eel)—a local delicacy, its many fresh water subterranean limestone caves, the Pritchardia Mitiaroana—a variety of Fan Palm native to Mitiaro, and the beautifully hand woven hats and baskets which the local women produce from the leaves of Pandanus Trees.

Divine Retreat is a large and spacious modern guest house owned by Junior and Cindy Abraham, who live on-site and will ensure you have a wonderful time in Mitiaro.

There are three room types to choose from at Divine Retreat. The double Guest Bedrooms, perfect for singles, couples and for small families, are located within the main house. Each room has a double bed, futon couch, dresser, and bedside tables. These rooms share a spacious bathroom with shower, and separate toilet.

The Honeymoon Suite is accessed from the veranda and has its own private bathroom with shower and toilet, queen size bed with bedside tables, TV, and an open closet with built-in shelves. This room is ideal for single travellers or couples.

The newly built One Bedroom Villas are separate to the main house. These individual villas each have a king size bed in the bedroom, a small kitchenette and living area with a futon couch, bathroom with shower and toilet, and a veranda with outdoor furniture.

In the main house is the kitchen where Cindy prepares your delicious meals, the living room with comfortable sofas and a large wall-mounted TV. On the spacious veranda is the dining area, and lounging furniture where you can relax and enjoy the company of other guests.
