

MARLIN QUEEN FISHING CHARTERS

Rarotonga

For the ultimate game fishing experience look no further than Marlin Queen Fishing Charters.

Marlin Queen has three game fishing boats named Marlin Queen, Popeye and Strike Time, catering for all requirements and skill levels. For more details please refer to the chart below. Depending on the type of charter you want to take and the amount of pax going, this would best determine which craft you depart on.

Your on board crew members include Captain Katoa Piniata who is well known for making his own lures that reel in the 'Big Ones' and along side him Jeff Cleave, Adam Hill and Tuaine Kirikava, all skilled and experienced in all things fishing. They are there to promise you a great day out on the water and also your safety whilst on board.

The sea life here is abundant and your target species mainly include Yellowfin Tuna (know locally as A'ai) or Skipjack Tuna (Au'opo), Mahimahi, Wahoo (Pa'ara) and Blue Marlin (Akura). During July - October months you may also spot some whales. Marlin Queen adopt a share catch policy, therefore all anglers get a portion of fish to enjoy.

Charters operate Monday—Saturday in almost any weather condition and last approximately 5—8 hours at least. The half day charters you have a choice of either a 7am or 1pm departure, and all full day charters depart at 7am.
