

AKURA FISHING CHARTERS

Rarotonga

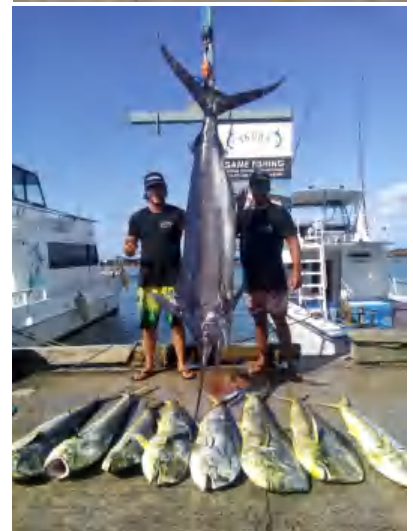

Located just off the main road just 2 minutes out from the Avarua Township is where you will find the Akura Fishing Charters, down at the Avatiu Harbor. Providing the best fishing charters here in Rarotonga, Akura offers a completely authentic Cook Islands fishing experience. All tours are interactive, and have you learning how our local fishermen live through their work and are very passionate about what they do. Akura's main focus is to share a fun and adventurous fishing experience here in the Cook Islands.

Akura Fishing Characters consist of Half-Day and Full-Day educational tours that provide you a unique experience of that lifestyle of local fishermen. Upon arrival, you will be met and greeted by our professional team. Our experienced crew members are known for the best catch rates on the island, and will lead you through some technical fishing methods.

Offering a range of - water activities from Game Fishing to Spear Fishing, Hens & Stags Parties to Seasonal Whale Watching, Akura delivers top-quality fishing in comforts and on-board facilities you need for a relaxing cruise on the water.

Our convoy includes Head of the Fleet Akura, a 40 ft. built vessel boasting twin 330hp diesel bound inboards with the ability to cater for a maximum of 16 people; Ikurangi, a 26 ft. Bayliner Trophy and powered by a quiet 250hp Yamaha outboard and last but not least Te Manga, also a 26 ft. center console also with a 250hp Yamaha outboard engine.

Your crew will share with you some knowledge of the local tropical fish life, advising you on details including their eating quality and catch rate. Light refreshments and fresh water will be offered to you throughout the tour.

TOUR HIGHLIGHTS

'Catch of the Day'

We will fillet some fish - 'catch of the day' to take home and enjoy. Our crew promises you nothing but a special fresh fillet for your afternoon delight.
