

AITUTAKI BEACH VILLAS

Aitutaki

Situated on a spectacular beach with beautiful panoramic views of the turquoise lagoon is Aitutaki Beach Villas. This property contains 4 stylish island coded villas, each which exhibit a slice of modern Polynesian flavour.

All four villas are very similar in design and layout, each have their own kitchenettes, bathrooms, and have views to the stunning lagoon. They are all situated on a nice secluded property, away from the main road with only a short walk to the beach.

Small they may appear however inside the villas are very spacious and cater well to all types of travellers. Those wanting to escape from the commercial tourist resorts and just enjoy the wonders of Aitutaki will like this place very much.

Location here is no doubt a top feature and a special quality that this property possesses, being in the centre of Amuri Village the travelling distance to most places is not far, only a few minutes drive from and to the airport, the main town ship area and also many popular takeaways and restaurants.

With such easy access to everything you need, there is nothing you can go without here, the beach is within walking distance and the tropical atmosphere is at your embrace, Aitutaki Beach Villas is nothing more than the perfect place to be, your very own home away from home, in paradise.
